c. Tell whether you were always comfortable and protected. _____

d. Tell about some of the trees, shrubs, and ground covers used in the design. _____

5. Identify five shrubs, _____

five trees, _____

and one ground cover, _____

being sure that you select examples of different shapes, sizes, and textures. With the help of your counselor or a local nursery, choose plants that will grow in your area.

Bring pictures of the different planting materials or, if possible, examples of their branches, leaves, or flowers to a troop meeting. Be prepared to tell how you might use each in the design of a landscape. _____

6. Look at and study a place of worship or school grounds to find the place where most people arrive by bus or car. _____

Show you can do the following:

a. Using a measuring tape, measure and draw the entry and its nearby area using a scale of 1/8 inch equal to 1 foot on an 11-by-17-inch piece of paper. Be sure to include the driveway and the wall and door where people enter the school or place of worship.

Indicate any sidewalks, structures, trees, and plants within the study area. Make a copy of this plan to save the original. Do the next two items on copies.

b. On one copy, use directional arrows to indicate where the water drains across the site, where ditches occur, and where water stands for a longer period of time.

c. Decide how you can make the place safer and more comfortable for those using it. _____

Redesign the area on another copy of the plan. You may want to include new walks, covered waiting areas, benches, space-defining plantings of trees and shrubs, and drainage structures.
